

SPECIFICATIONS

Model: **BTA200**

FEATURES AND FUNCTIONS

- Large LCD Display with backlight
- Small Footprint & light weight design
- RS232 Port
- USB Port
- Portable with internal battery operations
- Uses AAA batteries
- Accurate and easy to use leveling system
- Used Capacity indicator
- Sealed front panel
- Data transfer and printing
- Stability indicator

MODES

- Parts Counting
- Percent Weighing
- Recipe Making
- Totalizing
- Animal / Dynamic Weighing
- Check Weighing
- Auto-tare
- Tare Storing
- Filtering
- Min / Max Indication

SPECIFICATIONS

Maximum Capacity	200g
Readability (d)	0.01g
Linearity	+/- 0.02g
Repeatability	0.02g
Stabilization time (typical)	<3s
Tare Range	-200g
Pan Dimension	115 mm round (4.5 in)
Scale Dimensions	175 x 245 x 80 mm (6.9 x 9.6 x 3.1 in)
Scale Weight	1 kg (2.2 lbs)
Power Supply	12VDC
Internal Batteries	AAA
Battery life with back light on	~6 hours
Battery life with back light off	~16 hours
Auto Back Light shut - off	30 sec.
Auto Power shut - off	5 minutes
Operating Temperature	+18C to +33C
RS232 Port	Bidirectional
USB Port	B Type
Calibration Weight	200g
Warranty	12 months
